The Womans Club

(Edited By The Womans Club)

Although last Thursday was one of the worst of our many disagreeable March days a goodly number of the members of the Womans Club responded to the roll call and were amply repaid by listening to well prepared papers by Mesdames Clay Sutton and James Elmore.

Mrs. Suttons paper was upon "Insect Pests", the subject presenting such a wide field for study, she could only deal with a few of the most troubleome species and suggested some of the most approved methods for their elimination. In speaking of the fly Mrs. Sutton said: "It is said that the old Roman Emporer, Domitians favorite amusement was hunting and killing flies. In the beginning of his reign he used to spend daily an hour by himself, during which time he did nothing but catch files and stick them through the body with a sharp pin. Thus the original "swat the fly" man has been discovered. Considered in relation to man there would seem to be sufficient reason for placing this apparently feeble order at the head of our insect pests. No reasonable approximation can be made to the number of existing species They are animal and vegetable breeders. The would be no flies to kill it there were no filth for them to breed in. Clean up every place where decaying animal or vegetable refuse accumulates and spray every receptacle for refuse with any good commercial disinfectant. If you cannot trace the flies about your house to any other source look in the cuspidor. To rid the house of flies, close the doors and win dows, heat a small coal shovel and pour twenty drops of carbolic acid on it. The fumes from the acid will kill all the flies in a large room. Keep flies away from the food and the sick room especially where there are contageou

Mrs. Elmore's paper was along the lines of conducting an active anti-fly campaign, just the kind of campaign Lancaster needs, and we hope to have space to give it in full next week.

The Womans Club will conduct an excursion to Frankfort the first of May. Here is the opportunity for a splendid days outing which will also give many their first opportunity of seeing our magnificient new capitol, and governors mansion at small cost.

Miss Viola Beagle sang sweetly "O Dry Those Tears" and an Evening Song. Miss Beagle has a light Soprano voice full of promise. Little Miss Mary Davis played a boat song with a finish of a little artist. After the pupils program Miss Daniel kindly consented to sing a group of songs with Miss James of Richmond at the piano as accompanist.

Will Capture Fever Ticks. A novel method of clearing a forest district of the fever ticks which produce spotted fever is to be tried by the government in the Bitter Root national forest in Montana. Two bands of sheep are to be grazed in the parts of the forest where the tick is most abundant, and it is expected that the ticks will attach themselves to the sheep in large numbers. Whenever occasion requires the sheep will be dipped in an insecticide which will kill the ticks and the sheep will not be at all injured. Winter's Chills Breed Kidney Ills.

Chilly, damp, changing weather is hard on the kidneys. Even more irritating are colds, grip, pneumonia, tonsilitis quinsy and other infections. The kidneys get congested and inflamed, and this causes backache and disordered kidney action. Though serious in its latter stages, kidney disease is not hard to conquer if a good kidney remedy is used when the first signs of kidney trouble are noticed.

The best recommended kidney remedy in the world is Doan's Kidney Pills. You hear it everywhere. Get a box.

Lancaster People Testify

Spring Is Breaking; Backs are Aching.

Backache is often the first sign of some form of kidney disease that has been coming on for months. Look for the other signs:--lame back, sharp pains when stoop ing or lifting, dizzy spells, nervousness or despondency, with irregular, painful or distressing action of the kidneys; if these signs exist, decide that the kidneys need attention, ere the trouble turns to gravel, dropsy or Bright's disease.

Read this home testimony and then give Doan's Kidney Pills a trial.

Mrs. J. W. Pumphrey, Danville St., Lancaster, says; I suffered a great deal from backache and could not sleep well. On several occasions my back became so painful and weak that I was unable to do my housework. Being advised to give Doan,s Kidney Pills a trial, I did so, procuring a supply at Frisbie's Drug Store, (now R. E. McRoberts & Son's Drug Store). They helped me from the first and I was soon relieved."

Campbell Street.

W. M. Zanone, Campbell & Crab Orchard Sts., Lancaster, says: "My kidneys were disordered and the kidney secretions were irregular and contained sediment. I had pains in my back and sides and when I stooped, I had difficulty in straighteing. Finally, I used Doan's Kidney Pills and they relieved me."

Will C. Davis, Danville Pike, Lancaster, says: "Doan's Kidney Pills have done me more good than anything else and I can recommend them to everyone. My kidney action was irregular and I had backache. I used Doan's Kidney Pills and they relieved

Danville Pike.

Mrs. T. S. Elkin, Danville Pike, Lancaster, says: "I still consider Doan's Kidney Pill the best remedy for anvone to use when having anything wrong with the kidneys and back. Doan's Kidney Pills are a safe remedy to take. All I said some years ago, recommending Doan's Kidney Pills, holds good,"

Crab Orchard Street.

Mrs. C. T. Brummett, Crab Orchard St., Lancaster, says: "My kidneys were out of order and I had pains through my back and kidneys, At times I was nervous. Doan's Kidney Pills made me feel much better and stronger in every way."

Grateful Praise.

George Wright, Hotel Kengarlan. Lancaster, says: "I willingly confirm all that I said some years ago, praising Doan's Kidney Pills. They are all that is claimed for them. I suffered a great deal from my kidneys and back. Pains through my loins extended into my sides and kidneys. When I used Doan's Kidney Pills, my kidneys became nor-mal and the pains stopped."

Water Street.

Frank Hibbard, Water St., Lancaster, says: "I had weak kidneys. Their action was irregular and often painful. My back pained me. I used Doan's Kidney Pills and they fixed me up in good shape. The pains left and my kidneys became normal.

Hill Street.

Mrs. B. F. Walters, Hill St., Lancaster, says: "I never fail to praise Doan's Kidney Pills when I have the opportunity, as they are certainly a fine remedy. I have not been without a supply in the house for years. When my back becomes lame and painful, a few doses bring me instant relief. At one time I feared that I had serious kidney trouble. The kidney secretions were unnatural and gave unmistakable evidence of disordered kidneys. It was my good fortune to hear of Doan's Kidney Pills and I used them. In a short time my kidneys were nor-

Mrs. H. G. Crutchfield, Stanford Ave., Lancaster, says: "My little boy was greatly troubled by his back and kidneys. He did not have proper control over the kidney secretions which caused no end of annoyance. The child also looked badly and I was considerably worried about his health. I heard of Doan's Kidney Pills and got a box and began giving them to him according to directions. He is now a great deal better."

There is a church going sentiment sweeping the country; people are being urged as never before to attend divine worship; newspapers are taking up the cry and assisting in the good cause, as they do in every good cause. Some papers are devoting columns each week to having the people tell "why they go to church". This wave has not as yet whom she feels justly proud. Samuel struck Lancaster, or if it has, we have Lee Herron, son of Chief of Police and sed the critical stage of his disease, failed to ubserve it, leastwise, we have not noticed any increase in the size of Fort Mott, N. Every person should attend divine worship at least once a week. "Six days shalt labor", but the seventh, or at least a part of it, should be given to Him, and what more fitting way to give a part of it to Him than to hear His word. Hakes Healthy Bowels

*HIS simple rule of health is daily called attention to by every doctor in the land, whose first question to the patient almost invariably is, "Are your bowels regular?" Yet there's not one person in fifty who takes proper care of the bowels. And the result of this foolish neglect is nine-tenths of all ill-health. If today you are unable to free your body of waste matter at the usual time, or if the act causes straining, pains and discomfort, don't let that condition occur again tomorrow. Unless your bowels can carry away the waste materials left after food is digested, decay sets in, the poisons of which, taken up by the blood, increase the risk of Typhoid Fever, Appendicitis, and many other serious diseases.

Comprehensive Quarterly Review. Golden Text, Mic. vi, 8-Commentary Prepared by Rev. D. M. Stearns.

LESSON I .- Jesus and the Children, Mark ix, 30-37; x, 13-16. Golden Text. I Pet. v, 5, "Be clothed with humility. for God resisteth the proud and giveth grace to the humble." In the first part of our lesson the contrast is between the desire for greatness on the part of the disciples and the humility of a little child. In the second part it is the contrast between the fullness of the rich young ruler and the emptiness of the blessed children. Lesson II.-The Mission of the Sev-

enty, Luke x, 1-16. Golden Text, Matt. x, 20, "It is not ye that speak, but the Spirit of your Father that speaketh in you." Prayer that the Lord would send forth laborers to be honest prayer must be from hearts willing to be sent forth, as lambs among wolves. We are to preach peace by Jesus Christ and to have no anxiety about our recompense. When the kingdom comes there will be no sick folks (Isa. xxxiii, 24)

LESSON III. - The Good Samaritan. Luke x, 25-37. Golden Text, Mark xii. 31, "Thou shalt love thy neighbor as thyself." When our Lord called any one's attention to the law it was that they might be convinced of sin and led! to Himself as the Saviour of sinners (Rom. iii, 19, 20; x, 4; Gal. iii, 21-24). We are as helpless to do anything to save ourselves or obtain eternal life as was the man who fell among thieves. He was half dead, but we are wholly dead (Eph. ii, 5).

Lesson IV.-Serving Jesus, Luke viii 1-3; ix, 57-62; x, 38-42. Golden Text. Matt. xxv, 40, "Inasmuch as ye have done it unto one of the least of these. My brethren, ye have done it unto Me." In the first and last sections of this lesson we see women ministering unto Him, and Mary of Bethany, having done her part, found time to listen to His teaching. In the second section we learn that serving Him means none of self and no looking back.

Lesson V .- The Unfriendly Neighbor, Luke xi, 1-13. Golden Text, Luke xi, 9. "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you." A better title for this lesson would be "The Father who giveth all," according to Rom. viii, 32. If we honor Him, as in the first three petitions of the prayer (verses 2-4), we may count upon Him to make good all the rest and verse 13 closed at once.

Lesson VI.-Darkness and Light, Luke xi, 14-26; xxxiii, 36. Golden Text. Luke xi, 35, "Take heed, therefore, that the light which is in thee be not darkness." These religious people were so blinded by their own self ness and not light, that they could not distinguish between God and the devil. LESSON VII. - Christ's Hatred of

Shams, Luke xi, 37-54. Golden Text, Stomach Health-Gal. vi, 7, "Be not deceived; God is not mocked." There is always a loving welcome from the Lord Jesus for all who penitently turn to Him, but for hypocrites, such as these Pharisece and lawyers. He has the most severe words-a welcome for singers, but a woe for the self righteous.

LESSON VIII. - Faith Destroying Fear, Lake xii, 1-12. Golden Text. Luke xii, 8, "Whesoever shall confess Me before men him shall the Son of Man also confess before the angels of God." The hatred of the truly right eous by the self cighteous resulted in our risk. If they don't help you they expulsion from the synagogue and won't cost you a cent. It they don't

even in death (John xvi. 2), but the separation of soul and body was given to the believer and not a thing to be feared (Phil. 1, 21-23).

Golden Text. Luke xii. 53-34.

Golden Text. Luke xii. 53-34.

Golden Text. Luke xii. 34. "Where your treasure is, there will your heart be also." It is still manifestly true that, as a rule, men are more interested in eartaly things than in heavenly things and act as foolishly as did the man in this lesson. He who gives us life may require it of us at any time.

There is much false teaching, and there are many deceived people, and the only safety is by the Truth. which is in Christ Jesus, who is Himself the Truth.
